January 11, 2023 - Intelligent Transportation Society of Connecticut Scholarship Application

ITS Connecticut is offering a scholarship in the amount of \$1,000 to a student who attends an accredited college or university in Connecticut or is a Connecticut resident attending an out of state accredited college or university. The student must be in a program in an ITS related course of study and must demonstrate a commitment to continuing in an ITS related field upon graduation. The scholarship is available to both undergraduate and graduate students. In addition to the application form, the student must include a minimum 300 word essay on career objectives and educational goals and a transcript of coursework. A letter of recommendation from a faculty member familiar with the student is also required.

The application deadline is March 10, 2023 with an award date of March 24, 2023 for scholarship use by the student during the subsequent semester/ trimester of study. The award will be made directly to the student with confirmation of enrollment at the institution. The winner will be invited as a guest to the 2023 ITS-CT annual meeting in September.
